

OXBOW

ESTATE RUM

**MADE FROM THE FINEST
LOUISIANA SUGARCANE.
TASTE THE DIFFERENCE.**

SINCE 1859, our family estate has raised sugarcane on the banks of an ancient Mississippi River oxbow in Pointe Coupée, Louisiana. This sharp bend in the river has made for fertile land, sweet sugarcane and enchanting rum. Generations have farmed this land. This estate rum is a tribute to them.

Made from 100% Grade A sugarcane molasses, these fine sipping rums embody the essence of Louisiana's sugarcane harvest. Unfiltered and distilled in small batches, Oxbow Rum has no sweeteners or additives. Experience the bright, smooth taste of sugarcane in every sip.

**"I grew up in these
sugarcane fields. Our
rum tastes like home."**
